

CONSENT TO TATTOO AND WAIVER OF ALL CLAIMS

I acknowledge by signing this release that I have been given the full opportunity to ask all questions I have about obtaining my tattoo by the Artist. All of my questions have been answered to my full and total satisfaction. I specifically acknowledge that I have been advised of the matters and limits set forth below, and agree to as follows.

- I am not pregnant or nursing. I do not have epilepsy, hemophilia, or any other disease of the blood. I do not have diabetes. If I DO have diabetes, I understand that this condition may affect the healing of my tattoo. I do not suffer from any heart condition, nor do I take any medication which may cause thinning of my blood.
- If I suffer from hepatitis, HIV, or any other communicable disease, I have informed the Artist of this fact and have been advised of any modifications and procedures necessary to promote the satisfactory healing of my tattoo.
- I do not suffer from medical or skin conditions such as, but not limited to keloiding, hyper trophic scarring, psoriasis at the site of the tattoo, any open wounds, or lesions at the site to be tattooed.
- I have advised to the Artist of any allergies to metal, latex, soaps, and medications. I understand that it is not reasonably possible for the Artist to determine whether I might have an allergic reaction to the tattoo or the process involved in tattooing. I further acknowledge that such a reaction is possible.
- I have trustfully represented to the Artist that I am over the age of 18 years, or that the person representing him/her as my legal guardian is in fact that.
- I am not under the influence of drugs or alcohol. To my knowledge, I do not have any physical, mental, or medicinal impairment/disability, which might affect my well being as a direct result of my decision to have a tattoo at this time.
- I acknowledge that obtaining this tattoo is my choice alone and will result in a permanent change in my appearance and that no representation has been made to me as to the ability to later restore the skin involved in this piercing to its pre-tattooed condition.
- I acknowledge that infection is always possible as a result of obtaining a tattoo and I agree to follow all recommendations concerning the care of my tattoo while it is healing. Further, I recognize that tattoos are known to be susceptible to, but not limited to a variety of bacterial infections including, but not limited to pseudomonas infections.
- I understand that I will be tattooed using the proper instruments and sterilization techniques.
- I understand that this type of procedure may take 2-4 weeks or longer to heal depending on the individual. I agree to hereby release and forever discharge and hold harmless "The Daruma Tattoo & Piercing Company Inc." as well as any representatives, heirs, insurers, masters, employers or prepossess, the Artist, and to any person interested or responsible with or for them for any and all claims pecuniary loss, all actions/causes present or connected in any way with my tattoo or the procedure and conduct used in my tattoo.
